

LouAnne Lundgren

Candidate for NADE Treasurer

Current Position: Dean, Adjunct Faculty
Central New Mexico Community College
Albuquerque, NM

Vision: “In the next 5 years, I believe NADE needs to establish itself as an international organization that provides best practices in teaching and learning, to include student placement and support services. With many states adopting legislation that doesn’t include developmental education, NADE needs to broaden their scope and change their name to reflect what our organization actually provides; professional development and support for administrators and faculty who are developing co-requisite curriculum, math pathways, supplemental instruction, tutoring, and other activities for underprepared and/or struggling students that lead to increased graduation rates. In order for NADE to be fiscally responsible, as Treasurer, I would need to work with the Board to develop a budget plan that provides for a smooth transition towards our goals and provides innovative ideas for generating revenue while adopting efficiencies that lower expenditures.”

Professional Education

- M.A., Educational Technology, University of Northern Colorado, Greeley, CO
- B.S., Business Administration, Regis University, Denver, CO
- A.A.S. Marketing Management, Northeastern Junior College, Sterling, CO

Professional Activities and Affiliations
