

## **Wes Anthony**

### **Candidate for NADE Vice-President**

Director of the Kellogg Institute  
National Center for Developmental Education  
Appalachian State University  
Boone, NC

**Vision:** “NADE should work to develop and expand on relationships with other organizations, especially other CLADEA organizations. NADE must work to promote and develop the next generation of Developmental educators. The office of Vice President should support this vision by helping NADE state chapters to expand on their missions and work to develop programs and webinars which will help their members embrace current innovations. The office of Vice President should work to implement programs to help support more students to successfully complete the Developmental Education course sequence nationally by expanding the knowledge of NADE members. This office must also support the organization in expanding its membership and supporting them in their professional growth.”
